

YEAR LEVEL FETE STALL

PARENT INFORMATION

Dear Prep Parents

PREP FETE STALL: LOLLY JAR MYSTERY DIP

It's almost fete time – that means it's time to get ready for our year level stalls. Each grade will be a running a stall to raise money for our awesome school.

What do we need from you?

- This year, our Preppies have been asked to bring in jars filled with lollies.
- Please bring your child's filled lolly jars to your classroom teacher no later than **Friday 9th August 2019**.
- The P&C have supplied labels for the Prep children to decorate and place on their jars. The decorating will be done in class time.
- Once all jars have been decorated, each jar will have a number attached then people who purchase a lolly jar will pull out a mystery number and receive the corresponding lolly jar (much the same as a lucky dip).
- A label will be supplied and decorated by the kids in class.

DON'T FORGET - BUY YOUR UNLIMITED RIDE PASS ON FLEXISCHOOLS

As the name suggests, the Unlimited Ride Pass means your kids can hit the rides for as long as their little ride-lovin' hearts desire. We're talking rides like the Super Slide, Bat Tower and everyone's favourite, the good old Tea Cups. If you grab your unlimited ride pass on Flexischools prior to the day you'll save \$5 per pass.

IT'S TIME TO ASSEMBLE YOUR VOLUNTEERING POSSE - We need you!
Like most things, volunteering is more fun with mates. So, now is the time to get together your best gang, put your hands up to help man a year level stall.
Each year level stall has been divided up into 2 hour blocks (starting at 9:30am and finishing at 4:30pm) with two parents being rostered on at one time, therefore we need a minimum of 14 parents per year level + a few extra just to be safe. To register visit: <https://pbssfete.com/volunteers/>
